

Sample Company Remote Work Policy

Purpose

This policy sets expectations for employees working remotely, ensuring productivity, security, and clear communication.

Eligibility

Employees who have completed 3 months of employment and whose role does not require physical presence may apply for remote work.

Working Hours

Remote employees are expected to be available during core hours of 10 AM to 4 PM local time and attend all scheduled meetings.

Equipment & Security

Employees must use company-approved devices and a secure VPN connection when accessing company systems remotely.
